

1. **History Byte:** Queer literature has become a mainstream player in the world of book sales. But as easy as it may be to find LGBTQ+ reading material now, it was not always so. This [advocate.com](https://www.advocate.com/books/2018/6/15/25-best-lgbt-novels-all-time#media-gallery-media-8) article from 2018 uses a critical lens to examine some classic queer novels that have become standards in literature now, but were shocking and ill-received at their times of publication.
